Kingaroy Refrigeration Airconditioning

Since its establishment in 1986 Kingaroy Refrigeration has been providing quality refrigeration and air conditioning services to the South Burnett Region. We are 100% local and proud of it!

We currently service the Commercial, Industrial and Domestic industries, with a high quality of workmanship and professional knowledge. Our industry speciality is diverse, with every day posing a different challenge to overcome.

We have had the privilege of working with many different industries and projects including hospitals, schools, aged-care facilities, shopping centres, government (local, state and federal), wineries, as well as a host of smaller local businesses. If you can think of it, we have probably worked for them.

As the only business in our industry of our size, you can rest assured we are capable of supporting you, and taking on any job, big or small.

As a company we continue to employ and train our Refrigeration Technicians on a yearly basis and can proudly say we have trained over 30 of our region's best and brightest over the years with the assistance of TAFE Qld.

We have developed a nurturing team environment with knowledge-sharing and teaching across our entire industry speciality. Our team values respect, safety, quality, professionalism, and learning.

We strive to ensure your experience is nothing short of excellent, and we are committed to providing the best quality service in our industry.

MISSION

To continue to provide you with personalised, safe, sustainable solutions to all your HVAC & Refrigeration needs.

OUR PROJECTS

SOUTHERN CROSS CARE - Castra

Undertaking a significant project where Kingaroy Refrigeration spearheaded the upgrade of two wings of HVAC equipment in a local retirement facility. Over 3 Months, our team was capable of showcasing expertise in large-scale installation, ensuring a reliable and modern air conditioning infrastructure tailored to the unique needs of the retirement community. All while working around the residents and ensuring client satisfaction.

AUSTRALIAN HOTEL MURGON

Kingaroy Refrigeration took charge of the Refrigeration installation for the renovation of the iconic Australian Hotel in Murgon.

This undertaking exemplifies our commitment to delivering comprehensive Cold Room & Freezer Room solutions for optimal functionality and comfort of all new developments of all different sizes and uses.

ST JOHN'S LUTHERAN SCHOOL

In collaboration with GFG Projects, Kingaroy Refrigeration has successfully completed a complete fit out of the new Year 12 Building, where our team executed a 8 month project of installing and commissioning all A/C, Refrigeration and Science Block equipment. This project highlights our efficiency in executing complex installation projects within strict timelines, ensuring seamless integration of advanced systems in educational facilities.
